Rotary

Message from The Boss!?! President Irvin 2022-23

One of the things our members asked for during a recent survey was a regular Newsletter. Well six months in to my term of office, here is the first one! But I don't want it all to be my effort, so will look to our members to provide some content, albeit Rotary or things you are doing outside of Rotary...

I was thinking the format of our newsletter would be the front page for The Presidents' updating and call to action. The centre pages for projects, images etc. of what we have been up to and what we are planning and the back page for a members article. Nothing is set in stone so feedback would be appreciated. One of the most important things we can

do as a club is to grow our membership in a diverse way. And encourage friendship and personal development. It is a great honour

to be able to induct new members and so pleased to have Kevin Carter and Praf Patel join us following Ingrid Lyon and David Molley in Kevin's year. The tag line remains, 'every member brings one'.

Can I wish all members a very Merry Christmas and a Happy & Healthy New Year, when we can look forward to more fellowship and 'doing good' in our communities using the varied skill sets we have .

A handwritten signature in black ink, which appears to read "Irvin Irvin".

Text here Lez for your passion and inspiration for your coming year.
